We are pleased that you are interested in the Mobility- Associate Degree Nursing Program at WCCS. The mobility program is designed for Licensed Practical Nurses and enables them to complete the Associate in Applied Science Degree (Nursing) in three semesters. Should you choose to apply for admission to the A.D.N. Mobility Program, you must submit the following documents, as a complete package) to the Office of Admissions and Records no later than December 1.

1. Wallace Community College Application for general admission to the college or the WCCS readmission application.

2. Official college/technical program transcripts. An official transcript from each individual college, university and/or technical school attended must be submitted with the application to the Office of Admissions and Records at Wallace Community College in a sealed envelope or unofficial copies attached with official ones ordered.

3. Mobility Program Application.

4. Essential Academic Skills (TEAS) Exam percentage score. The TEAS score must be within the past 3 years of the application deadline date. A student may repeat the TEAS V (or current version) once during any semester admission timeframe. A student must wait at least six weeks between taking each test.

5. A signed Essential Functions Form indicating that you meet the technical requirements required in nursing with or without accommodations. The Essential Functions form must be read and signed by you, not your physician, and submitted with your application. The nursing faculty reserves the right at any time to require an additional medical examination at the student’s expense in order to assist with the evaluation of the student’s ability to perform the essential functions.

6. A signed Student Drug Screen Policy form.

7. A signed Background Screening Policy form.

8. A 2.5 GPA for the last 24 semester hours of college(s) attended.

9. Unconditional acceptance to Wallace Community College Selma.

10. Be in good standing with WCCS (a 2.0 or higher GPA).

11. Must have a valid, unencumbered Alabama LPN license.

12. Must have documentation of employment as an LPN for a minimum of 500 clock hours within twelve months prior to start of NUR200 or NUR201 if an ACCS LPN graduate within 2 years of application.

13. Must complete the following courses with a “C” or higher, prior to enrollment in the LPN to RN Mobility Program:
   a. MTH 100 College Algebra (or Pre-Calculus, Finite Math, etc.) 3 credit hours
   b. 201 Human Anatomy and Physiology I (4 credit hours)
   c. BIO 202 Human Anatomy and Physiology I (4 credit hours)
   d. ENG 101 English Composition I (3 credit hours)
   e. *NUR 200 Nursing Career Mobility Assessment

*This course is not required if you graduated from the Approved Alabama College System Practical Nursing curriculum within the previous two years. Once enrolled in the mobility program, LPN-RN mobility students will receive 6 hours credit for NUR 200. Once mobility program is successfully completed, 15 non-traditional credit hours will be awarded for NUR 102, NUR 103, NUR 104, NUR 105 & NUR 106.
WALLACE COMMUNITY COLLEGE SELMA
REQUIREMENTS FOR MOBILITY NURSING PROGRAM APPLICATION
MOBILITY PROGRAM (LPN to RN)

All documents, including official transcripts must be included in this packet in sealed official envelopes or unofficial copies with transcripts ordered. Students who have college credit from Wallace Community College Selma do not have to obtain official Wallace Community College Selma transcripts in this packet. Reminder! Application will NOT be accepted if transfer transcript(s) is not included. Students who are transferring from another college are not required to include a high school transcript unless they wish it to be used in the evaluation process. NOTE: If you have applied to the Mobility Nursing Program within the last semester and have no other college work with the exception of Wallace Community College Selma Credit, then you are not required to submit official transcripts with your application.

(Initial each requirement-Application Packet must be complete to be accepted by the Office of Admissions and Records)

_____ Application for Admission to WCCS or Readmission Application MUST is on file with the office of Student Services.

_____ Completed Mobility Application for Nursing

_____ Minimum of 2.5 GPA on the last 24 hrs. of College work completed; OR

_____ Minimum of 2.5 high school GPA for students without prior college work (GED acceptable)

_____ BIO201 Human Anatomy & Physiology I (4 credit hours)

_____ BIO202 Human Anatomy & Physiology II (4 credit hours)

_____ MTH100 College Algebra (3 credit hours)

_____ English Composition I (3 credit hours)

_____ Signed Essential Functions Form indicating that you meet the technical standards required in nursing.

_____ Reviewed Drug Screening Policy (Drug Screening Fee $35.00 to be paid at a later date) Fees are subject to change.

_____ Reviewed Background Screening Policy (Background Screening Fee $45.00 to be paid on-line at a later date) Fees are subject to change.

_____ Valid, unencumbered Alabama LPN License

_____ Employment documentation of 500 clock hours with twelve months prior to admission

_____ Good standing with WCCS if attending or previously attended (2.0 or greater GPA from WCCS)

_____ A score from the TEAS (Test of Essential Academic Skills) requirement (Registration Fee $40.00 to be paid on-line)

_____ Official Transcript(s) from current high school, GED, college or previous college(s) enclosed in sealed envelopes.

The student MUST complete the required prerequisites AND it is highly recommended to complete the general education courses for the Mobility Nursing Program. Acceptance in the Mobility Nursing Program is based on a point system.

Students are conditionally accepted pending the completion of NUR200 with a “C” OR HIGHER.

The deadline for Summer Admission is December 1 at 12:00 noon.

(Over)
I understand that completion of this application is a component of the student profile and does not in itself grant admission to the nursing program. I understand this application must be updated if I am not selected. I certify that the information given in this application is true and correct. I understand that providing false information may be deemed sufficient reason to dismiss the student and/or refuse admission.

Admission to the nursing program is competitive, and the number of students is limited by the number of faculty and clinical facilities available. Meeting minimal requirements does not guarantee acceptance.

APPLICATION DEADLINE is December 1 for the Summer Mobility Nursing Program.

Please return completed Application packet to:

Wallace Community College Selma
Office of Admissions and Records
P.O. Box 2530
Selma, Alabama 36702-2530
The Alabama College System endorses the Americans’ with Disabilities Act. In accordance with Southern Union State Community College Policy, when requested, reasonable accommodations may be provided for individuals with disabilities.

The essential functions below are necessary for nursing program admission, progression and graduation and for the provision of safe and effective nursing care. The essential functions include but are not limited to the ability to:

1) Sensory Perception
   a) Visual (with or without corrective lenses)
      i) Observe and discern subtle changes in physical conditions and the environment
      ii) Visualize different color spectrums and color changes
      iii) Read fine print in varying levels of light iv) Read for prolonged periods of time
   b) Auditory
      i) Interpret monitoring devices
      ii) Distinguish muffled sounds heard through a stethoscope
      iii) Hear and discriminate high and low frequency sounds produced by the body and the environment iv) Effectively hear to communicate with others
   c) Tactile
      i) Discern tremors, vibrations, pulses, textures, temperature, shapes, size, location and other physical characteristics
      d) Olfactory
      i) Detect body odors and odors in the environment

2) Communication/ Interpersonal Relationships
   a) Verbally and in writing, engage in a two-way communication and interact effectively with others, from a variety of social, emotional, cultural and intellectual backgrounds
   b) Work effectively in groups
   c) Work effectively independently
   d) Discriminate and interpret nonverbal communication e) Express one’s ideas and feelings clearly
   f) Communicate with others accurately in a timely manner
   g) Obtain communications from a computer
   h) Communicate in a variety of health care settings

3) Cognitive/Critical Thinking
   a) Effectively read, write and comprehend the English language
   b) Consistently and dependably engage in the process of critical thinking in order to formulate and implement safe and ethical nursing decisions in a variety of health care settings
   c) Demonstrate satisfactory performance on written examinations

5) Professional Behavior
   a) Convey caring, respect, sensitivity, tact, compassion, empathy, tolerance and a healthy attitude toward others
   b) Demonstrate a mentally healthy attitude that is age appropriate in relationship to the client
   c) Handle multiple tasks concurrently
   d) Perform safe, effective nursing care for clients in a caring context
   e) Understand and follow the policies and procedures of the College and clinical agencies
   f) Understand the consequences of violating the student code of conduct
   g) Understand that posing a direct threat to others is unacceptable and subjects one to discipline
   h) Meet qualifications for licensure by examination as stipulated by the Alabama Board of Nursing
   i) Not to pose a threat to self or others
   j) Function effectively in situations of uncertainty and stress inherent in providing nursing care
   k) Adapt to changing environments and situations l) Remain free of chemical dependency
   m) Report promptly to clinical and remain for 6-12 hours on the clinical unit
   n) Provide nursing care in an appropriate time frame
   o) Accepts responsibility, accountability, and ownership of one’s actions
   p) Seek supervision/consultation in a timely manner
   q) Examine and modify one’s own behavior when it interferes with nursing care or learning

---

**STUDENT VERIFICATION**

Read the declarations below and sign only one option. If you are unable to fully meet any criterion, you will need to direct your request to the Coordinator of Disability Services, Mrs. Sheila Theiss at 334.876.9294.

I have reviewed the Essential Functions for this program and certify that to the best of my knowledge I currently have the ability to fully perform these functions. I understand that further evaluation of my ability may be required and conducted by the nursing faculty if deemed necessary to evaluate my ability prior to admission to the program and for retention and progression through the program.

I have read the Essential Functions for this program and I currently am unable to fully meet the items indicated without accommodations. I am requesting the following reasonable accommodations: (use additional sheet if needed)

If you are not accepted during this enrollment period, it will be your responsibility to notify the Office of Admissions and Records to retain your application for the next enrollment period or you will have to complete a new application packet.

Submit this form with your application. You should retain the remainder of this application packet for future reference.
In response to requirements of certain external agencies providing clinical experiences for WCCS nursing students, any student who enrolls in the Wallace Community College Selma Nursing Programs and desires to participate in courses which have a clinical component is required to have an initial pre-clinical drug screening and subsequent drug screen upon each admission. The student must abide by the Drug Screen policy of the nursing programs and the College and Clinical Agency policy for which the student is assigned clinical practice. This policy includes random drug screening and reasonable suspicious screening, should the student exhibit behaviors indicative of substance abuse anytime while enrolled in the nursing program. The type screening procedure(s) used will be determined by the Nursing Director or designee and according to the behavior(s) exhibited by the student.

I. PRE-CLINICAL SCREENING

1. All students will receive notice of the drug screening guidelines prior to admission to the nursing programs.
2. The nursing programs will maintain on file a signed consent to drug screening from each student.
3. Drug screening will not be announced to the students prior to the date selected by faculty and the testing facility.
4. Drug screening will be scheduled and conducted by On-Site Drug Collection at the cost of $35.00 per student. The fee for testing is pre-paid by the student in the Cashier’s Office when the tuition and fees are paid.
5. Any student failing to report for screening at the designated time (within 15 minutes) will be dismissed from the program.
6. Failure to complete drug screening as required by clinical agencies will prohibit the student from completing the clinical component of required nursing courses.
7. Additional drug screening may be conducted on a random basis throughout the student’s course of study.
8. Results will be sent to the Director of the Nursing Program in which the student is enrolled at Wallace Community College Selma.
9. Failure to complete drug screening with a negative test result on the ten Classes of Drugs as required by the nursing programs and/or Clinical Agency will prohibit the student from completing the clinical component of the required nursing courses.

II. STUDENT URINE DRUG SCREEN PROCEDURE FOR ROUTINE SCREENING

1. Students must pay the $35.00 screening fee prior to the time of specimen collection.
2. Students must submit a photo ID and social security number at the time of specimen collection.
3. The collector will be a licensed medical professional or technician who has been trained for collection in accordance with Chain of Custody and Control procedures. The collector will explain the collection procedure and Chain of Custody form to the student and provide a sealed collection container.
4. Students must remove unnecessary outer garments (coats, sweaters, bags, etc.) and remove items from pockets when entering the collection site.
5. The collector will collect a monitored urine specimen.
6. In the presence of the student, the collector will seal the urine specimen with a tamper-proof security seal and affix an identification label with a code number.
7. The student will verify the information on the identification label, initial the security seal, read and sign the Chain of Custody Form.
8. The collector will sign the Chain of Custody Form and give the student the appropriate copy.
9. The collector will forward the sealed urine specimen and Chain of Custody Form to the designated certified testing center/laboratory for testing.
10. Specimens will be screened for ten (10) classes of drugs:
   a. Amphetamines  
   b. Barbiturates  
   c. Benzodiazepines  
   d. Cocaine  
   e. Cannabinoids  
   f. Metaqualone  
   g. Opiates  
   h. Phencyclidine  
   i. Propoxyphene  
   j. Alcohol

11. Positive screens will be confirmed by the Medical Review Officer.

12. Students will be informed of the screening results by the Director of the Nursing Program within seven days of testing.

III. POSITIVE DRUG SCREENS

1. Positive drug screens will be confirmed by the Medical Review Officer.

2. Students with a positive drug screen are not permitted to participate in the clinical component of a nursing course. The student will receive a zero for each clinical assignment missed as a result of a positive drug screen.

3. In order to participate in clinical after a positive drug screen, the student must:
   a. Complete a substance abuse treatment program approved by the A.D.N. Program and the Alabama Board of Nursing.
   b. Have the substance abuse treatment program mail the program completion statement directly to the A.D.N. Program Director.
   c. Have the treatment program send a copy of each random drug screen report directly to the A.D.N. Program Director. Failure to do so will result in immediate dismissal from the A.D.N. Program based on deliberate disregard of the guidelines for a positive drug screen.

4. Once the student has satisfied the above requirements, the student will be able to resume the program of study according to all guidelines set forth in the current A.D.N. Student Handbook.

5. The A.D.N. Program Director reserves the right to randomly screen a student having a positive drug screen until completion of the A.D.N. program. A positive screen will result in immediate and permanent dismissal from the A.D.N. program.

6. Any student who is unable to complete program requirements as a result of a positive drug screen will be required to withdraw from all clinical nursing courses. The student may apply for readmission; However, readmission is not guaranteed.

7. Nursing students must also abide by the “Alcohol and Substance Abuse” policy enforced by WCCS. It is the responsibility of the WCCS Campus Police Department to enforce state and local laws and school policies in regard to alcohol and drug related activities.

8. Graduation from the A.D.N. Program at WCCS does not guarantee eligibility to take the RN licensure examination. A student with a history of chemical dependency must submit a full explanation of the situation including treatment records, urine screens, doctor’s statements, etc. when submitting the application.

IV. REASONABLE SUSPICION SCREENING

Students may also be required to submit to reasonable suspicion testing as stipulated in the drug screen policy of the College, nursing programs, and/or Clinical Agency while participating in the program. Reasonable suspicion is defined as but not limited to the following behaviors:

1. Observable phenomena, such as direct observation of drug use and/or the physical symptoms or manifestations of being under the influence of a drug; such as, but not limited to, unusual slurred or rapid speech; noticeable change in appearance and hygiene; impaired physical coordination; inappropriate comments, behaviors or responses; trembling hands; persistent diarrhea; flushed face; red eyes; unsteady gait; declining health; irritability; mood swings; isolation; decreased alertness; and/or pupillary changes.

2. Abnormal conduct or erratic behavior on the clinical unit, absenteeism, tardiness or deterioration in performance.

3. Evidence of tampering with a drug test.
4. Information that the individual has caused or contributed to an incident in the clinical agency.
5. Evidence of involvement in the use, possession, sale, solicitation or transfer of drugs while enrolled in the nursing program.
6. Odor of alcohol.

If a faculty member or clinical agency administrator/employee observes such behavior, the faculty member must dismiss the student from the educational or clinical setting immediately and contact either the A.D.N. Program Director, the Dean of Students, or a designee of the President. The A.D.N. Program Director, the Dean of Students, or a designee of the President will then determine if there is reasonable suspicion to screen the student.

If the decision is made to screen the student, the A.D.N. Program Director, the Dean of Students, or a designee of the President will direct the faculty member to make arrangements to have the screening performed immediately (within 15 minutes of the announced screen). The student will be responsible for obtaining transportation to the designated lab for screening; the student will not be allowed to drive to the designated lab. A student’s failure to consent to the screening will result in immediate termination from the nursing program.

V. SUSPICIOUS RANDOM DRUG SCREENS
The Director of the nursing program or designee will decide on the method of screening (breathalyzer, blood, urine, etc.) depending on the specific behaviors exhibited by the student.

VI. CONFIDENTIALITY
The Director of the Nursing Program will receive all test results. Confidentiality of the test results will be maintained with only the Director and the student having access to the results with the exception of legal actions which require access to test results.

VII. READMISSION - IF POSITIVE DRUG SCREEN
To be considered for readmission, a student who withdraws from a clinical nursing course due to positive drug screen must:
1. Submit a letter from a treatment agency verifying completion of a substance abuse treatment program.
2. Submit to an unannounced drug screen at the student’s expense prior to readmission and at random times until program completion. A positive screen will result in ineligibility for readmission.

VIII. ADDITIONAL DRUG SCREEN GUIDELINES
1. Drug screening policies/programs suggested or required by the Alabama Board of Nursing, Wallace Community College Selma, and/or various institutions with which the College contracts may vary from time to time in any or all of their aspects. Students will be required to comply with the screening which satisfies the program or requirement established by the Alabama Board of Nursing or any clinical agency with whom the college contracts for clinical experience, whether pre-clinical drug screening, random drug screen, or reasonable suspicious screening.
2. Some of the ten classes of drugs for which screening will be conducted are available by prescription from health care practitioners. Prescription drugs prescribed to a student by an appropriate health care practitioner may nevertheless be subject to abuse and may give rise to reasonable suspicion testing. The fact that a student has a prescription for one or more of the ten classes of drugs which are legally prescribed by health care practitioner does not necessarily, in and of itself, excuse the student from the effect of this policy.
3. Each nursing student is required to sign a statement certifying that he or she has received a copy of the drug testing policy and guidelines and consents to provide urine specimen(s) for the purpose of analysis. If the nursing student is under eighteen (18) years of age, both the nursing student and the nursing student’s parent or legal guardian must sign the drug testing consent form. The Nursing Director shall maintain the original signed consent form and may provide a copy of the consent form to the student upon request.
I. Policy Purpose

A. Education of Health Science students at Wallace Community College requires extensive collaboration between the institution and its clinical affiliates.

B. The College and clinical affiliates share an obligation to protect, to the extent reasonably possible, recipients of health care from harm.

C. The College desires to ensure that the health and safety of students and patients are not compromised and acknowledges that clinical affiliation agreements exist to provide students with quality clinical education experiences.

II. Standards of Conduct and Enforcement Thereof

A. Clinical affiliation agreements for programs within the health sciences contain contractual obligations to comply with the requirements set forth by health care facilities.

B. Student enrolled in a health program at Wallace Community College must conform to the rules, policies, and procedures of the clinical affiliate in order to participate in clinical learning experiences.

C. Wallace Community College requires background screening of all students choosing to enroll in a program within the Health Sciences.

III. General Guidelines

A. Any student accepted into, currently attending, or re-admitting to any program within the Health Sciences at Wallace Community College will be required to undergo an initial background screen.

B. Types of screening to be conducted

1. Social Security Number Trace / ID Search to verify that the Social Security Administration issued the number provided by the individual and that it is not listed in the files of the deceased. The SSN trace will also locate additional names and addresses that may assist in locating jurisdictions for additional criminal searches.

2. Unlimited County Criminal Record Verifications to identify criminal convictions for all names and addresses revealed on the Social Security Trace.

3. The Alabama Statewide Search includes criminal information from state data bases including many local court records.

4. FACIS (Fraud and Abuse Control Information System) Database Searches to identify adverse actions of individuals and entities in the health care field, including information on disciplinary actions ranging from exclusions and debarments to letters of reprimand and probation. This search meets the government minimum requirements as outlined in the Office of the Inspector General (OIG).

5. National Sex Offender Public Registry, maintained by the U.S. Department of Justice, returns complete profiles of sex offenders, including their convictions.
IV. Student Guidelines

A. Consent
1. Submission of all information disclosed in the process of requesting a background screening will be the responsibility of the student.
2. The Disclosure & Authority to Release Information form required in on-line creation of an account through the College-approved vendor must be signed by the student.
3. A Background Screening Consent and Release Form containing appropriate signatures must be submitted to and a copy kept on file in the applicable health program office student file.
4. An Acknowledgement of Receipt of the Background Screening Policy for Students in the Health Sciences form containing appropriate signatures must be submitted and a copy kept on file in the applicable health program student file.

B. Procedure Policies
1. Background screens will be scheduled and conducted by a College-designated vendor in accordance with program specific admission deadlines and/or semester start dates. Background screens performed by any other vendor or agency will not be accepted.
2. Students reinstated to a health program after an absence from program coursework of one semester or more, will be required to submit a screening update to the College-approved vendor.
3. All expenses associated with background screening, whether initial screens or updates, are the responsibility of the student.
   a) Any applications of financial aid resources must follow aid-specific guidelines approved by the provider.
   b) Any expenses not applicable to financial aid resources must be provided by the student.
4. Failure to complete the background screen by the published deadline and/or refusing to sign the consent, disclosure, and/or release authorization form(s) will prohibit a student from attending health program courses.
   a) The student will be advised to officially withdraw from registration in any courses within the applicable health program prefix.
   b) If the student does not officially withdraw, applicable procedures will be followed for administrative withdrawal.
5. A student who experiences extenuating circumstances that prohibit completion of the background screen by the deadline should contact the Director of the nursing program. In the event that a student is allowed to proceed with background screening beyond the designated deadline, he/she will not be allowed to attend any clinical experiences until the full background screen process is completed.

V. Results

A. Results of background screening are confidential and will be released only to the individual student, the approved College designee, and the healthcare agencies upon request.
B. If required by affiliate contracts, clinical affiliates will be provided with a copy of negative results for students assigned to the specific agency.
C. Receipt of a positive background screening report will require further review by the College designee and appointed affiliate representatives.
1. Background screens which could render a student ineligible to obtain clinical learning experiences include, but are not limited to:
   a) Certain convictions or criminal charges which could jeopardize the health and safety of patients.
      (1) Crimes against the person, such as battery or assault
      (2) Crimes based on dishonesty or untruthfulness, such as theft or embezzlement
      (3) Drug or substance abuse-related crimes, including but not limited to, use, manufacture, distribution, possession, and/or purchase of illegal substances.
b) Sanctions or debarment.
c) Felony or repeated misdemeanor activity.
d) Office of the Inspector General violations including inclusion of one’s name on an excluded party list.
e) Other crimes as deemed ineligible by appointed affiliate representatives

2. In the event of a positive background screen, the student will be notified of the results by the College designee and the screening vendor.

3. Students will be provided an opportunity to challenge the accuracy of reported findings through the Adverse Action process provided by the College-approved vendor.

4. Students with a positive background screen will not be allowed to participate in clinical assignments pending resolution of the background finding.

5. Students who are unable to resolve positive background findings will not be allowed to continue in a health program at Wallace Community College. The student will be advised by the College designee as to their future eligibility for program re-entry and the mechanisms for readmission application to a health program.
   a) The student will be advised to officially withdraw from registration in any courses within the applicable health program prefix.
   b) If the student does not officially withdraw, applicable procedures will be followed for administrative withdrawal.

D. Background screening results will be securely filed in the office of the College designee.

E. Any conditions associated with positive background screens, which, upon review by designated clinical affiliate representatives are deemed allowable, may still have licensure implications upon graduation from a health program.
Test of Essential Academic Skills (TEAS)

The Test of Essential Academic Skills (TEAS) measures basic essential skills in the academic content area of reading, mathematics, science and English and language usage. The test is intended for use primarily with adult nursing program applicants. The objectives assessed on the TEAS exam are those which nurse educators deemed most appropriate and relevant to measure entry level skills and abilities of nursing program applicants.

**Time Limit is 209 minutes. Four-option multiple-choice with 170 total questions.**

Reading is 58 minutes with
48 Questions
Mathematics is 51 minutes with
34 Questions
Science is 66 Minutes with
54 Questions
English and Language Usage is 34 Minutes
with 34 Questions

**Creating an ATI Account**

All individuals preparing to take the TEAS test must create an ATI account. You may create an account by:

1. Going to ATI's website at www.atitesting.com
2. Click on create a new account then follow the screen prompts.
3. You only need to register once.
4. You will need your ATI username and password to take the online test.
5. Please bring this information with you to the test location at Wallace Community College Health Sciences Building.

**The Cost of the test is $40.00**

For More Information, please contact the Office of admissions and records at (334) 876-9295
