Mission: Our mission is to promote an integrative and unifying learning environment to support and challenge students to lead a life of significance.

Goals: To increase student engagement, academic achievement, retention and graduation and strengthen a campus culture focused on student success through offering tools and tips to college stakeholders who interact with students everyday.

Introduction
What is On-line Coaching?
On-line Coaching is a method where you can receive one-on-one support utilizing Web 2.0 technologies to make sure you’re performing at your best and getting the most out of your college experience.

Point of Entry

- Academic trouble:
  • Absences
  • Academic Warning or Probation
  • Mid-term deficiencies
- Referrals:
  • Professors
  • Other departments (e.g. Counseling)
  • Fellow Students
- Self-referral
  • Notified of services through marketing, emails, WCCS training/workshops.

What is WCCS On-line Coaching like?

First meeting with your Coach:
Your initial meeting with your coach should include discussions about your educational and career goals; make note of a plan that will help you pursue your goals.

Communication
You will have times throughout the day and night that you can contact your coach via phone, email, or IM.

Subsequent Communication Efforts
- Continue regular communication with your coach.
- Keep your coach updated on your progress.
- Talk about any challenges that is hindering you in your process for success.

Purpose
- Clarify
- Connect‘
- Help Organize
- Motivate
- Re-affirm

What type of students can benefit from Coaching?

Coaching is beneficial to a variety of students.

1. It provides you with a support system.
2. It reveals hidden strengths/talents,
3. It helps you aim for your goals.
4. It helps you learn more efficiently and provides lifelong habits for future reference.
5. Proactive process to support you in achieving your goals.
6. Strategies and tools to make sure you get the most from your education.
7. Support for you in your personal, educational and career growth.
